

1 A Special Meeting to adopt the Budget of the Village of Croton-on-Hudson, NY was held on
2 Monday, April 26, 2010 at the Municipal Building, Van Wyck Street, Croton-on-Hudson, NY
3 10520.

4
5 The following officials were present:
6

Mayor Wiegman	Trustee Gallelli
Village Manager Zambrano	Trustee Murtaugh
Treasurer Bullock	Trustee Schmidt
	Trustee Olver-absent

7
8 1. CALL TO ORDER:
9

10 Mayor Wiegman called the meeting to order at 8:00 p.m. everyone joined in the Pledge of
11 Allegiance.
12

13 1a) CITIZEN PARTICIPATION (on agenda items):

14 a) Virginia Calcutti, 19 Hunter Place, asked if non-union employees are getting a raise or
15 other benefits that would be, in effect, a raise. Trustee Gallelli replied that non-union
16 members are not getting a raise. Mayor Wiegman added that there are no changes to the
17 benefit policy. Ms. Calcutti stated that healthy raises were given in the past to some
18 positions. Trustee Murtaugh responded that there have been no deals and non-union
19 employees will not be getting any raises or other benefits; only Union employees will be
20 getting a raise. Village Manager Zambrano added that the Police Chief will be getting a raise
21 per NYS law. Ms. Calcutti stated that Fred Sorenson's job was eliminated and has not been
22 filled and asked if it will be filled in 2010 or 2011. Village Manager Zambrano replied that
23 this is not being replaced in 2010-11. Ms. Calcutti also asked how much is in the reserve
24 fund. Village Manager Zambrano stated that it is just over \$3 million dollars. Ms. Calcutti
25 asked about the salaries of part time employees in the Recreation Dept. who are making \$40.
26 per hour. Village Manager Zambrano stated that the people she is asking about are receiving
27 per session salaries and are not summer camp employees. Ms. Calcutti suggested a cap be
28 put on comp time. Village Manager Zambrano replied that employees are entitled to comp
29 time for work done over the regular time and there are labor regulations that people should be
30 paid for the time put in. Mayor Wiegman added that they can certainly look into this if it is a
31 fiscal issue for the Village.
32

33 With no further comments forthcoming, Village Manager Wiegman closed citizen participation.
34

WHEREAS the Village of Croton-on-Hudson wishes to explore mutually beneficial ways of: (a.) Leveraging private sources of capital with other public and private resources to accomplish these objectives; and (b.) Coordinating efforts with Federal, State, and other agencies and authorities to assure that activities are compatible with the plans and programs of the cooperating municipalities;

WHEREAS, by Chapter 497 of the Laws of 2009, the State of New York authorized an amendment of the General Municipal Law by creating Article 5-L to allow municipalities to create Sustainable Energy Financing Programs to promote the deployment of renewable energy systems and energy efficiency improvement measures at residential and commercial properties and,

WHEREAS, The establishment of a Sustainable Energy Financing Program in the Village of Croton-on-Hudson would serve to assist in achieving statewide energy efficiency and renewable energy goals, reducing greenhouse emissions to mitigate the effect of global climate disruption, and creating a clean energy economy and,

WHEREAS, A Sustainable Energy Financing Program would also bolster the economy of the Village of Croton-on-Hudson by saving residents monies which they would otherwise spend on energy costs and by creating jobs for residents, and reduce the negative health effects of burning fossil fuels;

WHEREAS, Sustainable Energy Financing Programs are designed to be self supporting and are designed to have no adverse budgetary impact to the Village and will be an “opt-in” benefit affecting only those residents who choose to participate by undertaking renewable energy or energy efficiency projects on properties they own;

WHEREAS, A Sustainable Energy Financing Program may create an opportunity for the Village of Croton-on-Hudson to obtain American Recovery and Reinvestment Act of 2009 ("ARRA") funding to support the program,

WHEREAS, the Sustainable Energy Financing Program enabled by Article 5-L should be amended to allow broader sources of funding while securing and facilitating such programs. Such legislation is now pending in the New York State Senate and Assembly,

NOW, THEREFORE BE IT RESOLVED that the Board of Trustees of the Village of Croton-on-Hudson strongly supports pending legislation, A/S#_____, in the NYS Senate and NYS Assembly to amend, strengthen and correct technical deficiencies within the current enabling laws authorizing Sustainable Energy Financing Programs; and

BE IT FURTHER RESOLVED, that the Board requests the Village Manager send this resolution, if adopted, to our State Senate and Assembly delegation to ask for their support for this important revision of the current enabling legislation.

1 Discussion: Trustee Gallelli stated that this is a support resolution for various villages which are
2 part of the Northern Westchester Energy Action Consortium and are asking the legislators to
3 support this bill. Mayor Wiegman added that the state approved only the use of Federal grant
4 money for these programs, but it is the contention of the consortium is that we should leverage
5 private capital for these programs and the state is in the process of amending the recently adopted
6 resolution to add this.

7
8 **b) The following resolution was moved by Trustee Gallelli, seconded by Trustee**
9 **Murtaugh and carried by a roll call vote: Trustee Schmidt “no”, Trustee Gallelli “aye”,**
10 **Trustee Murtaugh “aye”, Mayor Wiegman “aye” (3 to 1) with one absent.**

12
13 BUDGET ADOPTION RESOLUTION

14
15 A RESOLUTION ADOPTING A BUDGET FOR THE FISCAL YEAR COMMENCING ON
16 JUNE 1, 2010 AND ENDING MAY 31 2011, MAKING APPROPRIATIONS FOR THE
17 CONDUCT OF THE VILLAGE OF CROTON-ON-HUDSON GOVERNMENT AND
18 ESTABLISHING THE RATES OF COMPENSATION FOR OFFICERS AND EMPLOYEES
19 FOR SUCH PERIOD.

20
21 WHEREAS, this board has met at the time and place specified in the notice of public hearing on
22 the preliminary budget and heard all persons desiring to be heard thereon, now therefore, be it

23
24 RESOLVED, that the preliminary budget as amended and revised and as hereinafter set forth is
25 hereby adopted and that the several amounts stated in column titled “Adopted” in
26 Schedule A1 –General Fund,
27 F1-Water Fund,
28 G1-Sewer Fund
29 HN1-Capital Fund and,
30 Schedule 7-Debt Service,
31 be adopted and they hereby are appropriated for the objects and purposes specified and the
32 salaries and wages stated in Schedule 5 of such budget shall be and are hereby fixed at the
33 amounts shown therein effective June 1, 2010.

34
35 Discussion: Trustee Gallelli stated that this is the most difficult budget she has been involved in;
36 this budget is not about status quo which is unacceptable in this day and age; it signals a new
37 way of doing things in this municipality; they have identified areas where things can be done
38 differently, but will have a positive result for next fiscal year’s budget; she is also looking
39 forward to some significant energy savings which will help for next year’s budget, but must be
40 looking at the revenue line; we must be able to add to the revenue line and look at all the assets
41 the Village has such as several commercial areas in the Village that can become more beneficial
42 revenue-wise and also the parking lot; assets are also the Village’s location on the river; we must
43 maximize our revenues; a tax reduction for two years in a row has set the groundwork and set the
44 standards for where to go in the future.

45
46 Trustee Gallelli read a statement from Trustee Olver regarding the budget.

1 Trustee Schmidt stated that he has been involved in several budget processes but coming to the
2 budget this year, it does not represent a real budget for the community; cutting too far cuts into
3 the services; housing sales have stayed fairly strong and things are going to rebound because of
4 who we are as a community. He added that the raid to the fund balance is \$650,000, the highest
5 it has ever been and the fund balance is now diminishing a bit, not growing; residents need to be
6 aware that we can't keep cutting; the staff has communicated it is beginning to hamper their
7 ability to conduct their business; a lot of overtime was cut out which is used for getting things
8 done that can't be done during normal business time; some people have worked for the Village a
9 long time and need to be commended for their hard work and dedication; a disgruntled staff
10 makes the opportunity to work with them harder. Trustee Schmidt added that the budget was
11 looked at with a fine tooth comb, but he is not happy with using fund balance that much; he does
12 not see a strategy for the future, including shared services. He added that in terms of additional
13 revenue, the money invested in the parking lot is being returned and will continue to become a
14 money maker for the Village; the Village is built out and when another economic crunch hits,
15 what do you do; we need to keep focused on the idea it costs money to run a municipality and the
16 affects a budget now has on the future.

17
18 Trustee Murtaugh stated that everyone worked hard to not make frivolous cuts in the budget. He
19 added that Trustee Schmidt was involved in every decision made in the budget room; they took a
20 hard look at overtime; streets will still be plowed, it was not affected, but some overtime
21 expenses could have been managed better and that is what was looked at. Trustee Murtaugh
22 stated that he'd like to know who the disgruntled employees are and help solve their problems.
23 Trustee Murtaugh added that there were no layoffs and no salary reductions and he feels
24 residents will be well served with this budget.

25
26 Mayor Wiegman stated that the fund balance is a rainy day fund and now is essentially a rainy
27 day; it is less than has been appropriated in years past during the last down turn in the market.
28 He added that he feels comfortable that the close cooperation and hard work the staff has put in
29 these several months, made them aware where the budget has numbers that are more specific and
30 less specific; department heads came across with more detail back up for their budgets and he
31 complimented them for turning data into information. He added that the total appropriations are
32 higher than last year, but the revenue with the parking lot back on line for a full twelve months is
33 a little higher. Mayor Wiegman stated that he believes that this is not the time to pass the
34 recession on to the local residents and property owners; we have set ourselves up with a tighter
35 budget now with every extra revenue dollar becoming more meaningful than when there was a
36 fatter budget. He thanked the staff for working very carefully with the Trustees.

37
38 Trustee Gallelli stated that she feels it is a huge disservice to suggest that the staff is disgruntled;
39 they have been very supportive and many live in the Village and understand exactly what the
40 Board is trying to achieve and are enthusiastic for having achieved the cost savings and
41 efficiencies identified; the Village has the best staff and are going to keep them. Trustee
42 Schmidt replied that he agrees they are the best staff, but they are disgruntled; the letter the
43 Board received was from the Union Leaders talking about their issues and refusing to come to
44 the bargaining table prior to the end of contract. Mayor Wiegman stated that they did receive
45 that letter from Union members which asked for conversation; he responded to each of the three
46 members of the group and they said they would be delighted to sit down. Trustee Schmidt added

1 that he thinks the staff are disgruntled; they have received the message that if a cut is not offered,
2 we will cut; that is not treating staff with the respect for the time they have put in for the
3 community.

1 WHEREAS, Local Law No. 3 of 2003 was approved at a regular Village Board Meeting held on
2 October 7, 2003; and

3
4 WHEREAS, this Local Law called for the setting of Village Fees through Board Resolutions;
5 and

6
7 WHEREAS, it would be of benefit to both the Village and the general public to have all fees
8 conveniently placed in one resolution, which may be amended from time to time; and

9
10 WHEREAS, a master fee schedule was adopted on October 7, 2003 and has since been modified
11 a number of times,

12
13 NOW THEREFORE BE IT RESOLVED that the Village Board of Trustees hereby adopts the
14 attached updated master fee schedule effective June 1, 2010.

18 4. REPORTS:

19 *Village Manager Zambrano* reminded citizens that Public Works are continuing with yard waste
20 collections; recycling keeps tipping fees down. He added that the Village celebrated Earth Day
21 on Saturday and the DPW crews worked feverishly picking up and clearing several areas; there
22 was a lot a work done cleaning the parks for the upcoming season; the Boy and Girl Scouts
23 worked along with the DPW. He stated that camp registration has opened up and is still going
24 on. Village Manager Zambrano added that there are several trips scheduled for the Seniors,
25 some of which may be opened to the general public if space allows.

26
27 *Treasurer Bullock* stated that now that the budget has been adopted, the hard copies should be
28 available within the week.
29

30 *Trustee Schmidt* reminded everyone of the Blood Drive on May 2nd; donors are needed. He
31 added that the Sustainability Meeting was well attended; it is great to see people committed to
32 these efforts. Trustee Schmidt stated that it is helpful to start composting the leaves and reducing
33 the amount of grass on properties.
34

35 *Trustee Gallelli* reported that Earth Day was a spectacular success; she was very happy to see all
36 the different organization that took part and the many people who attended; she thanked the
37 DPW people and all residents for their participation. Trustee Gallelli added that she is happy
38 they have come forward with a less than zero budget decrease again this year and looks forward
39 to a successful year.
40

41 *Trustee Murtaugh* recognized Mr. Wintermeir, 43 Radnor, who came in after Citizen
42 Participation. Mr. Wintermeir asked what the amount of the fund balance is this year. Mayor
43 Wiegman replied that this was discussed earlier this evening; the total fund balance is roughly \$3
44 million; the fund balance used for this current adopted budget is \$500,000 and the pension
45 contribution fund balance being moved over is \$150,000. Village Manager Zambrano added that
46 they are keeping a close eye on expenditures. Trustee Murtaugh stated that the accountants say

1 the Village has a very healthy relationship between fund balance and the size of the budget and
 2 they had long discussions whether this is the “rainy day” time to tap the fund balance. Trustee
 3 Murtaugh reported that Earth Day was a glorious sunny day and he worked along with three
 4 DPW employees; it was a good experience for him and he had fun working with them. Trustee
 5 Murtaugh thanked the staff for the hard work and dedication put into this budget and for
 6 accepting no raises; this budget sets the groundwork for next year.

7
 8 *Mayor Wiegman* announced the following committee appointments.

46 Leo A. W. Wiegman, Mayor

1 Mayor Wiegman reported that he attended a meeting in Bedford where 13 municipalities signed
2 an agreement to collaborate with each other on issues dealing with energy, environment and
3 economics; that morning it was announced that the Consortium was awarded \$1.2 million of
4 federal money for a retrofit project; he added that this is getting quite a bit of attention in Albany.
