Kitchen & yard waste is 1/2 of all household waste = 650 lbs/yr/home.

Home composting manages this waste at the source, reducing cost, while creating safe, odor free nutrients for home landscaping.

Reserve by Wednesday, April 14, 4 pm, to make sure we have a bin or barrel on the truck for you!

To lock in the sale day price, reserve your bin for \$55 and/or barrel for \$75 each.

Note: A FREE kitchen collector bucket will be given away with each bin reserved by Wednesday, April 14.

This is a rain or shine, cash or check only event. You must pick up your bin(s) on the day of the sale only. Make checks payable to "Rainbow."
