

- ***Are you satisfied with the current street crossings and routes our children take to school?***
 - ***Would you like safer passage walking or bicycling to the train station?***
- ***Are there places in Croton you'd like to see improved hiking and neighborhood access?***
 - ***Would you like to see bicycle racks in the village shopping areas?***

Come provide more input and suggestions for a Village-wide Master Plan for Bicycle and Pedestrian Access Improvements!

CROTON-ON-HUDSON BICYCLE/PEDESTRIAN PLANNING COMMITTEE

Second Bicycle/Pedestrian Public Outreach Meeting

WED., FEB. 28TH, 7:30PM AT THE MUNICIPAL BUILDING, 1 VAN WYCK ST.

The Croton-on-Hudson Bicycle/Pedestrian Planning Committee will hold its second Public Outreach Meeting at Village Hall on February 28th at 7:30 PM. Ideas for improving roadway safety for cyclists and pedestrians, increasing non-motorized travel, and promoting recreational use of Croton's roads and trails will be discussed, and input collected from the 2006 Public Outreach meeting will be reviewed. For more information, and to review the committee's Phase 1 Outreach Report, please visit the Village website link for the Bicycle/Pedestrian Planning Committee at http://village.croton-on-hudson.ny.us/Public_Documents/Croton_HudsonNY_BComm/BPC. **With community input, we can formulate a strategic plan for the Village's
sidewalks and roadways related to bicycles and pedestrians.**

Working together, we can achieve greater connectivity through safe access!
