The Croton-on-Hudson Auxiliary Police Team is currently recruiting men and women for their team. If you have only a few hours a month to volunteer and would like to experience the pride and satisfaction of serving the community and working in law enforcement the Auxiliary Police Team may be the answer.

*Be part of the solution:*

*Help to protect the safety and security of our community.*

Some examples of the duties that we currently perform are listed below:

- Traffic control at school dances
- Vehicular and pedestrian traffic control at Summerfest
- Harry Chapin Run
- Park patrols
- Vehicular and foot patrols on Halloween
- Patrols at community fairs, bazaars and special events
- Church Crossings
- General Traffic and Crowd Control

No experience in law enforcement is necessary. The Croton Police Department, including Chief Dennis Coxen, sponsors our training to include the mandatory 40 hour police training course given at the County Police Academy in Valhalla. We are also trained in traffic/crowd control, personal defense, and prisoner restraint, first aid, and radio communications.

We welcome inquires about our Team and the services we provide.
