

# Village of Croton-on-Hudson Local Waterfront Revitalization Program

## Public Workshop

Croton's Local Waterfront Revitalization Program (LWRP) is a community-prepared plan that provides policy and land use recommendations for the Village's waterfront. The Village is in the process of updating its 23-year-old LWRP to reflect new goals and policies and development that has occurred since 1992.

### Please join us at the workshop to:

- Learn how the LWRP can help guide waterfront improvements.
- Discuss the community's vision for the waterfront.
- Identify critical issues facing the waterfront.
- Discuss possible projects to activate waterfront areas.

**Wednesday, April 29, 2015**  
**7:30 pm - 9:30 pm**

Harmon Firehouse  
30 Wayne Street  
Croton-on-Hudson, NY
