OPEN INVITATION TO THE CROTON COMMUNITY**

TEEN DRUG & ALCOHOL USE WHAT IS GOING ON IN CROTON?

Survey Results and Community Conversation

TUESDAY, NOVEMBER 18, 2008

7:30PM

CHHS Community Room

- Do you know the rate of alcohol and marijuana use among Croton students?
- Do you know what our students think about the risks involved with drinking and getting high?
- Do you know how students perceive their parents' concerns about young people drinking and using drugs?
- Do you know what our community is doing to prevent and reduce adolescent alcohol and other drug use?

Join us to discuss the results of a survey administered to last year's CHHS 10th and 11th grade students. We will review the survey results and discuss ways to strengthen our community response.
