

Lorraine Hansberry Coalition
General Meeting Summary
March 11, 2022

At the March 11, 2022, meeting of the LHC, attendees discussed plans for the LHC's upcoming May 21, 2022, event tentatively titled "Celebrating Lorraine Hansberry." Attendees talked logistics (timing, place, and content of the celebration), reviewed a working schedule of the anticipated work and a rough outline/program of the day's events as prepared by members of a smaller sub-group, comprised of Lynda Jones, Andrea Furey, Carla Dago, and Signe Bergstrom, and went over old business/reports.
