## **REQUIREMENTS FOR PERMANENT INSTALLATION OF NATURAL GAS/PROPANE TANK GENERATOR:**

- At least five (5) feet from openings in walls and structures having combustible walls, *with the exception of the following:*
  - The adjacent wall of the structure has a fire resistance rating of at least 1 hour*
  - The weatherproof enclosure is constructed of noncombustible materials and it has been demonstrated that a fire within the enclosure will not ignite combustible materials outside the enclosure.*
- Install according to manufacturer's instructions. Provide copy of specs.
- Generator shall be supported on foundation or secured to a noncombustible framework.
- Gas Line/Fuel Service permit must be filed for leakage testing of gas piping.
- Provide plot plan or survey showing where generator is to be placed.
- Use a Westchester County licensed plumber & electrician.
- Required electrical certificate should be sent to Village Engineer's office – 1 Van Wyck Street, Croton on Hudson, NY 10520.
- Final inspection required by Village demonstrating generator operating under load.
- Be respectful of your neighbor and install the generator some distance from the property line; the middle of the property or 5 feet from the property line is recommended.

Application is hereby made for a permit to perform work herein specified & shown on the drawings accompanying this application. The proposed work outlined conforms to all provisions of the laws of the Village of Croton-on Hudson and laws and codes of the State of New York and the work will be performed in accordance with provisions of such laws and codes.

I, certify that the above information is accurate and I am the property owner or authorized by the owner to file this application on their behalf and that I will indemnify and hold the Village harmless against any damage or injury that may be caused by or arise out of any entry onto the property in connection with the processing of the application, during construction or performance of the work or within one year after the completion of the work. If applicant is not the owner, applicant certifies that he is authorized by the owner of subject premises to apply for the project described above.
