Half Moon Bay Promenade Reopened

The culmination of a multi-year project, Croton residents can now enjoy gorgeous waterfront views on a newly paved promenade

After a multi-year closure, the Village Engineering Department has successfully overseen the reconstruction and repaving of the Half Moon Bay Promenade and it is now reopened for Village residents to use and enjoy. The promenade is open for use from 5:30 AM to 9 PM May 1st through October 31st, and 6 AM to 6 PM at all other times. Please note that bicycling, skateboarding, fishing, and swimming is prohibited on the promenade.

All residents are encouraged to walk along the promenade this summer and experience the beautiful view!

The improved Half Moon Bay Promenade is now open to residents.

Croton-on-Hudson Adopts NYStretch Energy Code

In 2022, the Croton-on-Hudson Village Board began the process of adopting the NYStretch Energy Code, also known as NYStretch.

NYStretch is a model, locally adoptable stretch code that is up to 12% more efficient than the minimum requirements of the base energy code, leading to reduced energy costs for residents and businesses.

The Code was approved on June 21st, 2022 by the Board of Trustees. NYStretch will apply to new construction in the Village. An FAQ on the new code can be found on the Village website. If you have any questions regarding the NYStretch Code or future construction, please contact the Engineering Department at (914) 271-4783.

Ride the Bee-Line for Free This Summer!

Residents can enjoy free rides on ALL Bee-Line buses from June 1st to Labor Day, on all routes including Para-Transit. For more information, visit Westchester.gov.com/beelinebus or call (914) 813-7777 Monday—Friday 8 AM to 4 PM.

Summer Fun with the Croton Senior Club

The Croton Senior Club enjoys social activities, classes, and guest speakers, and is open to Croton Village and Croton-Harmon School District residents ages 60+.

The Club is hosting several classes and trips this summer, including a picnic in Senasqua Park on August 12th, and Chair Yoga every Monday at the Community Room from 11 AM to Noon.

For additional information, call Croton Senior Club President Marilyn Grantner at (219) 331-8135 or email MarilynGrantner@gmail.com.

Con Edison to Begin Gas Main Installation Project on Grand Street

Con Edison has advised the Village that their contractor will be beginning a gas main installation project on Grand Street from Old Post Road South (the dummy light) to Harrison Street this summer. The work will take place Mondays through Saturdays from 8 AM until 7 PM and is expected to take six months for completion. Updates on the project are available on the Village website.

If you have concerns about private facilities buried in your lawn, such as sprinkler lines or electric dog fences, please email CustomerQuestions@conEd.com and reference the job identification number W22-1001211450. The Con Edison construction supervisor is Sean Kahn.

Update on Community Choice Aggregation (CCA)

If you are a participant in Sustainable Westchester's Community Choice Aggregation (CCA) program, called Westchester Power, you may have received a notice in the mail that the 100% Renewable or Standard electricity supply offering through Westchester Power's Community Choice Aggregation (CCA) is on a temporary pause. This change has occurred through no control of the Village.

On June 30th, 2022, Westchester Power reached the end of its current contract term for participants in the Con Edison service territory. Due to volatile energy market prices, the program has been put on a temporary pause. Effective Friday, July 1st, participants who receive either the 100% Renewable or Standard electricity supply offering through Westchester Power in the Con Edison utility territory will begin reverting to the default Con Edison electricity supply. There will be no interruption in your electricity service. You can find more information about these changes by visiting sustainablewestchester.org.

If you would like to learn about other ESCO options or have any other concerns regarding CCA, please contact Westchester Power at (914) 242-4725.

July/August Recreation Update

With summer in full swing, there's a lot of summer fun to be had in the Village of Croton-on-Hudson.

As the weather heats up, now is a great time to enjoy the cool waters of the Croton River at the **Echo Canoe Launch** or by taking a trip to **Silver Lake**. You can check the Village's Facebook page for daily updates on the water temperature. A seasonal swim permit or daily fee plus a valid Recreation ID is required for entry to Silver Lake. Hours are 11 AM to 7 PM daily.

Enjoy live music? Don't miss the **Summer Concert Series**, featuring a new band every Friday at Senasqua Park, now until August 5th. Food and drinks are available for purchase from participating vendors.

Acrobats at Senasqua Park

Wednesday, August 3rd @ 6PM

Animal Embassy at

Vassallo Park

Wednesday, August 10th @ 6 PM

Golf at Hudson National

Golf is available at the Hudson National Golf Course for Village of Croton and School District Residents. A \$10 Program Registration Fee and a current Recreation ID is required.

**For additional information, please contact
the Croton Recreation Department at
(914) 271-3006.**

Noise Ordinance Reminders

With the warmer months comes open windows and more outdoor activities. Residents are encouraged to be mindful of the Village's noise code.

The operation of power lawn mowers, rakers, electric leaf blowers and other motor-driven law/garden equipment is prohibited between 8 PM and 8 AM from Sunday through Friday and from 8 PM Friday to 9 AM Saturday, and from 8 PM Saturday to 10 AM Sunday. **Use of gas-powered leaf blowers is banned in the Village between June 1st & August 31st.**

Please also be mindful of your sound system volume. Decibel levels are limited for speakers and amplifiers from 10 PM to 8 AM on weekdays and from 11 PM Saturday to 10 AM Sunday.

Should you have any questions regarding the above, please contact the Engineering Department at (914) 271-4783.

Stash Your Trash — Help Keep Our Waterways Safe!

Trash and other pollution in our waterways come from many sources including street drains, people at waterfront areas, parking lots and people on the water. You can help keep our waterways clean.

- When purchasing refreshments choose recyclable containers and flatware and recycle them.
- Take sandwiches and snacks from home in reusable containers instead of plastic bags.
- Leave the waterfront area a cleaner place than you found it, take a trash bag with you, and carefully pick up litter.
- Businesses can provide trash and recycling containers with lids for their customers' use.
- Boaters can designate onboard containers for trash and recycling.
- Pet owners must clean up after their pets, bring plastic bags and dispose of in trash containers.

Working together, we can keep our waterways cleaner for a healthier environment.
