Sunday, April 21st, 1:15 – 4:30 pm

at the Croton Free Library, 171 Cleveland Drive in Croton-on-Hudson, NY

Demystifying Medicare is perfect for anyone trying to navigate our complicated healthcare system for older adults. It's for people who already have Medicare, as well as those soon to be 65, planning their retirement, or assisting relatives and friends with paperwork and medical decisions.

In this engaging interactive session, you will learn about the various parts of Medicare and the costs associated with medical and drug insurance provided by the government and private companies. Topics include:

- Original Medicare
- Medicare Advantage Plans
- Prescription drug plans (Part D)
- Medigaps (supplemental plans)
- Various cost-saving programs (MSPs, Extra Help, EPIC, etc.)

Demystifying Medicare is part of the ongoing work of the Westchester Library System to provide authoritative, actionable information that supports seniors in being connected and well-informed. Co-sponsored by the Croton Free Library and Village of Croton-on-Hudson Recreation & Parks Department. **Registration requested.** Call the Library at (914) 271-6612 or sign up online at the library's [Events Calendar](#).
