WESTCHESTER POWER & SUSTAINABLE WESTCHESTER: SYNERGY AND ONGOING INITIATIVES

- Clean Transportation (Electric Vehicles)
- Community Solar, Solarize
- SmartHeat Westchester
- Community recycling & compost

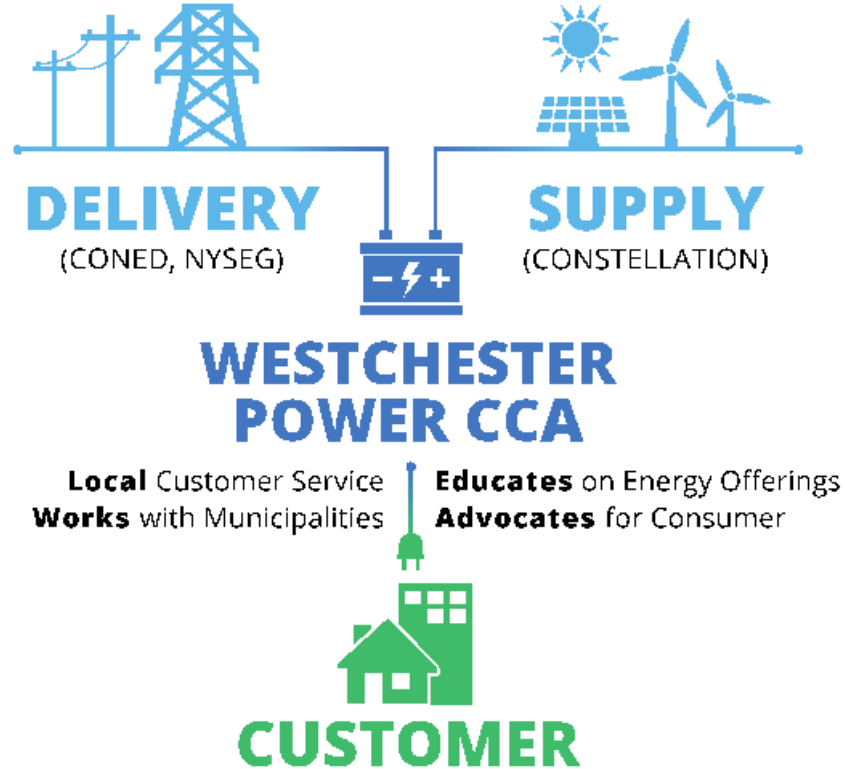

HOW DOES THE WESTCHESTER POWER PROGRAM WORK?

**Obtaining favorable rates and
renewable energy**

**by leveraging the buying power
of over 100,000 account-holders**

in 24 Westchester communities

Savings to-date, Con Ed territory

The RFP Process and The Result

- 3 week (RFI) Request For Information to qualify and inform bidders
- 2 week RFP (Request for Proposals) process ending with submissions Friday 10/5.
- Review team included Supervisors Burdick and Levenberg of Bedford and Ossining, and Director of Pace Climate Center, Karl Rabago.
- First round offers were followed by request for best/final second round.
- Constellation (our current supplier) provided the lowest rates for residents and small businesses for a 24 month term beginning January 1st, 2019.

New Rates for 2019

★ **Particularly good results for small businesses - commercial rates cut by 2 cents!**

★ **Residential stays flat - our residents will have rates lower than Con Ed 2015 average**

Rate comparison (cents/kWh)

	Residential Standard	Residential Green	Commercial Standard	Commercial Green
Current contract	7.70	8.00	9.93	9.97
New contract	7.71	7.96	7.71	7.96
