

Summerfest 2019 Sunday, June 2

The following rules and regulations will be in effect for Summerfest 2019. Please note that some information has changed since last year:

1. Registration shall take place in front of Robbins Pharmacy beginning at 9 a.m. All vendors/participants must be checked in at the registration desk by 11 a.m.
2. All set-up must be completed by 12 noon. Vendors must remove their cars from the area no later than 12 noon. You will be directed to convenient parking at the registration desk.
3. You are responsible for all clean-up of your space. Please take your garbage with you.
4. Spaces are approximately 10 feet in length and as deep as the sidewalk at that point. All spaces are assigned on a random basis and therefore no changes will be made. Some spaces may have telephone poles, trees or lampposts within their assigned area. No vending from vehicles is allowed.
5. Moving vendors are not allowed in the fair area. All vendors must remain behind their table or vending area while conducting business. Due to congestion in the fair area, we request that vendors not circulate petitions or pamphlets from any area other than their space.
6. Vendors are not allowed to have/use a public address system or radio in the fair area.
7. The fair closes to the public at 6 p.m. All vendors must remove merchandise and displays by 7 p.m. Vendors are not allowed to leave or begin breaking down their vending area before 6 p.m.
8. All food/beverage vendors must provide insurance (see requirements). All food vendors must have the appropriate Department of Health permit. All beer/liquor vendors must have the appropriate liquor license/temporary sale permit.
9. The Village reserves the right to have vendors removed from the fair who are selling any merchandise which is deemed inappropriate, illegal or harmful. The sale of stink/smoke bombs, silly string, poppers, razors and fireworks/firecrackers is prohibited.
10. Electricity is not available for use by vendors. Vendors are welcome to bring portable generators.
11. Vendors are welcome to bring tents; weights must be used to prevent tents from blowing.
12. Summerfest is a rain-or-shine event and there is no rain date. Should an emergency situation warrant a cancellation, a notice shall be posted on www.crotononhudson-ny.gov and www.facebook.com/crotongov.
13. Pets/animals of any kind are prohibited in the fair area.
