MISSION STATEMENT

It is the mission of the Village of Croton-on-Hudson Recreation Department:

To create and maintain aesthetically pleasing, safe, healthful, and enjoyable areas for residents; to provide positive, cost-effective leisure opportunities which promote individual and community wellness for children, youth, adults and seniors; to promote the preservation and appropriate utilization of the Village's recreational resources.

2024 REGISTRATION INFORMATION

This brochure provides a description of recreation programs, facilities and special events offered for **SPRING / SUMMER 2024** by the Village of Croton-on-Hudson's Recreation Department. Most classes and programs have limited availability and are offered on a first-come, first-served basis. Early registration is encouraged. Programs may be canceled due to insufficient registration.

Village Residents are defined as those who live within the boundaries of the incorporated Village of Croton-on-Hudson, and therefore pay taxes to the village. The programs and facilities of the Recreation Department are also made available to those who reside within the Croton-Harmon School District yet outside the village boundaries. In most cases, School District residents are required to pay a higher "non-resident" fee; although they are given equal priority in the registration process. If there are still openings in certain programs after Village and School District residents have had an opportunity to register, the department will consider non-resident applications, at a higher fee, on a per-program basis.

A Mail-in registration form, located in the back of this brochure, may be used for most programs.

Checks Payable: "Village of Croton" (separate check for each program).

Address: Village of Croton / Recreation Dept., One Van Wyck Street, Croton-on-Hudson, NY 10520

A blue drop box is available outside of the Municipal Building (by the west, exterior stairs).

HOW TO WATCH A GOOD PROGRAM BE ELIMINATED!

Nothing eliminates a recreation program faster than residents who wait until the last minute to register. There is a point when a program must be canceled or modified if there is insufficient registration. All programs require a high level of coordination, often including facility scheduling, staffing and purchasing of supplies. **PLEASE REGISTER EARLY!**

REFUND POLICY

The Village of Croton-on-Hudson Recreation Department does not issue refunds unless a program has been cancelled due to insufficient enrollment or in cases where a participant is medically unable to participate. In cases where a refund is being requested for medical reasons after the program has begun, a doctor's note must be submitted with the refund request. Registrants assume full responsibility for all other changes in their personal life which may affect their ability to participate.

In rare cases, a participant may encounter an unforeseeable and unavoidable situation that they feel may warrant a refund of fees paid. These situations will be reviewed on a case-by-case basis by the Recreation Superintendent, who will then make a refund determination.

A processing fee of \$15 will be retained by the Village in all cases that refunds, or partial refunds, are granted. No refund checks will be processed under \$15.

A separate refund policy is in effect for summer camps. All refunds for summer camp will only be granted if the space can be filled prior to the beginning of camp. A **\$30 processing fee** will be retained by the Village for all summer camp refunds. There will be no refunds provided once summer camp has begun.

Please note that if you pay by credit card for a program, the village is unable to refund processing fees. The processing fee is retained by the village's third-party card processor.

FINANCIAL AID POLICY

It is the intention of the Village of Croton-on-Hudson Recreation Department to assist **village residents** by offering financial aid to those in need. Financial aid applications will be accepted for the following programs only: Senior citizen programs (excluding trips), some youth programs and summer camps. Applications are available in the Recreation Office. Residents must be able to prove financial need. All information will be kept confidential. Applications will not be accepted after **June 1st**.

MEDICAL INSURANCE

The Village of Croton-on-Hudson DOES NOT provide medical insurance. If you do not have a personal medical insurance policy, we strongly urge you to secure coverage prior to enrollment in any of our programs. All persons participate at their own risk.
