## Rules and Regulations Regarding Use of Unmanned Aircraft Systems

Per § 168-8(N) of the Village Code, the use of unmanned aircraft systems in Village recreational facilities shall be governed by the below regulations:

1. All users (both commercial and recreational) shall first register with the recreation department prior to using their equipment.
2. All users shall abide by the posted hours in each park and not operate any equipment outside these hours.

The following information is specific to the use of drones:

1. All recreational operators shall follow the [rules](#) prescribed by the Federal Aviation Administration (FAA) as applicable.
2. All commercial operators shall follow the [rules](#) prescribed by the Federal Aviation Administration (FAA) as applicable.
3. All operators shall be required to provide proof of registration with the FAA upon registering with the recreation department.
4. Commercial operators may be required to provide a certificate of insurance to the Village of Croton-on-Hudson based upon the nature of their activities.
5. All users shall abide by all other posted rules and regulations in each park.
