December 1, 2021 – February 28, 2022**

**Daily Transactions at the Croton Harmon Train Station Parking Lot:**

There were 16,703 transactions with revenue totaling \$174,437.65.

The daily parking account revenue for the first three quarters of the year is now at 202.47% of our projected annual budget. The daily parking was budgeted conservatively this year as the Village did not know at what level employees would return to work and use mass transit.

The permit parking account revenue for the first three quarters of the year is now at 97.27% of our projected annual budget. This amount includes payments for all four permit cycles.
